

# CHILDFIRST

For DSS Caseworkers  
Mobile Software Solution

[www.L-Tron.com/childfirst](http://www.L-Tron.com/childfirst)

What if you were able  
to spend more time with  
families and less time  
on paperwork?

*Deliver better outcomes to families in your care.*

Drastically reduce your paperwork burden & redundant data entry

Deliver quicker response times & increase timeliness of cases

Make information accessible in real time & your reporting easier.

Reduce caseworker burnout and turnover rates

Improve caseworker safety in the field

## About L-Tron

*A New York State Business*

**“ Personalized solutions & the technology you need to turn your data in usable information. Knowledge is power. ”**

L-Tron has a long history working with U.S. government agencies, including Law Enforcement and Public Safety.

We specialize in data collection and field mobility solutions to streamline employee work-flow.

Our extensive client list includes: Lee County Youth Development Center, New York State Police, New York City MTA, New York State Department of Health, New York State Office of Mental Health, New York State Division of Criminal Justice Services, University of Rochester, Syracuse University, Carestream Health, and more.

## Messages From Our Clients

ChildFirst was configured to deliver the exact functionality that Lee County Youth Development Center was looking for at an affordable cost.

**“ This solution exceeded expectations. ”**  
- Lee County Youth Development Center

**“ I must say, dealing with your company has been a great experience. The promptness of the responses and communication has been outstanding and I will be recommending your company to everyone in the law field. ”**

- Scott, Chief of Police
